Per ECC Missions Policy, financial support is given to E the Missions Committee. The committee will review e	-	

the Missions Committee. The committee will review each application on a needed basis and determine the grant amount through prayer. There should not be an expectation that one-third of all expenses will be covered by the ECC Missions Fund. All fundraising activities at any ECC function need to be reported and approved by the Missions Committee or by the Executive Committee.

If you join ECC's Short-term missions trips with other Christian sending agencies approved by ECC and the agency offers training, you are not required to attend all ECC prayer/training meetings.

I agree to all ECC policies and will abide by them.
