

Prayers for Our ECC Community

PRAISES AND PRAYERS

SEATTLE YOUTH MINISTRY

- We praise God for new friends joining YF and YSF during the kickoff event.
- YF and YSF had separate Thanksgiving celebrations. The parents and youth cooked more than enough food for the events. They enjoyed a time of fellowship through games and making encouraging cards for the missionaries in Mexico and with Prisoners for Christ and CEF.
- For Sunday school, the middle schoolers have been learning about their identity in Christ and will have a series on Advent leading into Christmas. YSF has been taking a look into Christian virtues and how they intersect every part of their lives.
- Please pray for the upcoming joint youth activities with the RED youth. Pray that both groups will continue to grow together.
- Keep praying for the youth to make connections with their counselors and that they will be open to being mentored or discipled.
- Pray for the approval of guest speakers for the upcoming retreats. May the Lord guide speakers who can speak into the lives of the youth and challenge them to reflect Jesus.

PRAY FOR OUR MISSIONARIES

Grace Li serves with Chinese Overseas Christian Mission (COCM) in the UK area and is leading Bible study groups for new students. She is also currently leading a couple to initiate a Mandarin

church planting ministry. She and the church successfully organized a welcome event for new students this academic year, which attracted a number of newcomers. Please pray that the Lord will continue to guide the church in wholeheartedly supporting student outreach, and that the Holy Spirit will keep drawing these new students to seek the truth. Also, please pray for the upcoming series of Christmas and New Year events—that the Lord would use them and draw more students to participate and come to know Him. Lastly, pray for Grace's blood pressure and overall health, and that the Lord would provide for the shortfall in her missionary support this year.

WORLD PRAYERS

- Please pray for several regions in Southeast Asia that are recovering from flooding. May the Lord be merciful to allow the waters to recede and be gracious to help those who have suffered loss to recover.
- Please pray for churches in many countries in Asia that are facing increased persecution, most recently in China, India, and Myanmar. May the Lord strengthen those who are imprisoned and comfort their families and communities in the knowledge that God remains sovereign and justice will prevail one day.
