PRAISES AND PRAYERS

EDMONDS ENGLISH CONGREGATION

- Our adult fellowship, *Breaking Bread*, has successfully multiplied, and our second study session will begin in early 2026.
- Praise God that our English Adult Sunday School members have started a weekly prayer time together.
- We celebrate the active participation of so many EDS-ENG members who serve week after week. We are truly a congregation run by servant-hearted members, as each part contributes its work to the health of the body.
- Pray for the English congregation's transition to the main EDS sanctuary for Sunday worship.
- Pray for God to lead a few college students and young adults to serve in the middle school program we hope to start.
- Pray that our opportunities to share God's love with four senior living facilities this December will be a blessing. Pray that our singing songs, giving gifts, and talking with the residents will be a rich way of living out the gospel mission.

PRAY FOR OUR MISSIONARIES

For more than 13 years, Duane and Jodi Decker have served to bring the gospel to Chinese students and scholars at Portland State University and Oregon Health & Science University. Thank God—they've built strong relationships with students through their activities, making a great start to the new school year this September. Although the number of students on the campuses where China Outreach

Ministries (COM) works has decreased, the number of students exposed to the message of hope in the gospel has remained nearly the same. Praise God for allowing them to have such a profound impact!

Please pray that:

1. Duane and Jodi will continue to be transformed by God.
2. The students they meet or who attend their events during the new academic year will come to know Jesus.
3. Those who trust in Jesus will grow into true disciples.

WORLD PRAYERS

- Please pray for the millions throughout Southeast Asia recovering from devastating flooding. May the Lord help government and humanitarian agencies reach those affected, many in remote areas where the infrastructure has collapsed. May the Lord strengthen church communities and NGOs to be a source of comfort and hope during this time.
- Please pray for the many Christian families in Nigeria who have suffered as their children are kidnapped from boarding schools. May the Lord strengthen the government to respond and execute rescues and grant wisdom to church leaders to support and guide their congregations.
