PRAISES AND PRAYERS

SEATTLE CANTONESE CONGREGATION

- Christ has risen from the dead, Hallelujah! May all God's people on earth rejoice and praise Him today!
- Thanks be to God for His guidance. Last Sunday, we successfully completed our five-year preaching series, "The Gospel: The Power of God." We look forward to the new preaching series.
- Last weekend, we planned and arranged the Sunday school classes for the next two years. Thanks be to the Lord for raising up many faithful teachers to participate in teaching; we also plan to start a new class in the second half of the year.
- Please pray for the brothers and sisters who are ill, frail, or undergoing cancer treatment — Mr. Gao, Mrs. Xiao, Ted, Tommy, Stephen, Daniel, and Sylvia. We ask the Lord to grant them grace, mercy, and healing, that their medications may be effective and their side effects reduced; and that they and their families may receive sufficient grace and strength each day.
- Please pray for the outreach ministry at Legacy House. We pray that God will raise up more brothers and sisters who are willing to respond to His calling and actively participate in local gospel ministry.
- We thank the Lord for providing faithful and responsible counselors; however, due to the current small number of university students, college ministry appears weak. We earnestly pray that God will lead more Cantonese-speaking students to join our fellowship.

PRAY FOR OUR MISSIONARIES

Based in Florida, Sean and Mandi Miller

are international missionaries and area directors for the North Caribbean and Bermuda with Child Evangelism Fellowship (CEF). Responsible for eight nations of the CEF region, they work primarily with nationals in these countries to "evangelize, disciple, and establish a local church." Sean flew to Jamaica to support the CEF staff, who continue to recover from Hurricane Melissa while reaching out to children. Sean traveled with CEF national director Michael Scott through the entire western side to meet CEF staff face to face. Please pray for the children's rally, that the Gospel would go forth clearly. Please pray for Sean's safety in travel with good health and that the equipment Sean brought won't be damaged. Pray that their discussions, ministry planning, and meetings bear fruit. Pray for wisdom, guidance, and discernment. Pray for God's protection over Mandi and their children at home.

PRAY FOR THE WORLD

- Please pray for the newly-formed government in Nepal. Known as the GenZ election, may the freshly-elected leaders bring much needed reforms to the troubled nation and bring an end to the corruption that has stifled the nation's progress. May the Lord use the emerging church to be salt and light for justice, righteousness, and mercy.
- Please pray for the millions of Christians around the world who face oppression and persecution. May Christ's death on the Cross encourage them to know that they are not alone in their suffering and may the Empty Tomb renew their hope to know that their suffering leads to greater glory in the future.
