

Prayers for Our ECC Community

PRaises AND PRayers

SEATTLE MANDARIN MINISTRY

- We thank the Lord for the ordination ceremony for the two new elders, Elders Albert Ang and Sean Liu on May 3. We are grateful for God's calling, as well as the response and commitment of these two brothers. May God use them mightily!
- Four brothers and sisters were baptized into Christ as His disciples during the Sunday worship service on March 22. May God lead their path and bless them, grow them in faith, and make them beautiful witnesses for the Lord.
- The five-year pulpit plan titled "The Gospel: The Power of God," is drawing to a close. We thank God for the blessings and transformations brought through this series. Praise the Lord for people's growth and their passion in sharing the Gospel in these years!
- Please pray for the joint Mandarin and English Mother's Day worship service on May 10.
- Next year, four deacons/deaconesses from the Seattle Mandarin Council will complete their terms, and four new deacons will take office. Pray that God moves more coworkers to commit to service and that the transition is smooth.
- Please pray for the members of our church who are physically weak or suffering from illness.

PRAY FOR OUR MISSIONARIES

Lillian Mui, Willy Ng'ambi, and their son Hanoch serve in one of the poorest communities in Choma, Zambia. Lillian is a Poetice School Director utilizing her teaching and leadership skills to cast a vision for the school. She plans programs and events that align with their

mission. She inspires teachers to find creative ways to hone their craft. Late February, they hosted their first-ever parent training for school families and taught parents how to co-regulate with their children during tantrums. The parents report learning a lot! In March, they were also blessed with visiting teams from NY and MI who hosted a Field Day for their students and families filled with parent-child interactions, face painting, soccer and basketball skills, and candy galore. In the midst of parent-teacher conferences, they're proud to share with parents that their kids have EXPLODED in their reading skills and zipped through many levels in a matter of months! May the Lord continue to bless and provide for their ministry!

PRAY FOR THE WORLD

- Please pray for the desperate situation in Cuba. Pray for a resolution between the US and Cuban governments to minimize the suffering of its people. May the Lord be gracious to those most vulnerable.
- Please pray for the upcoming 10th Chinese Congress on World Evangelism (CCOWE) to be held July 20 – 24th in Kuching, Malaysia. It is the largest gathering of Chinese-speaking Christian leaders in the world. May the Lord watch over the preparations, particularly in securing flights to attend.
