

Prayers for Our ECC Community

PRaises AND PRayers

REDMOND YOUNG ADULT MINISTRY

- Praise God for a powerful, fruitful Living Water Retreat! Praise Him for how He moved in the hearts and lives of our young adults during the retreat.
- Praise God for our study on 2 Timothy and how we are learning and being changed by His Word.
- Praise God for the new folks who are checking out or have joined Living Water.
- Pray that the takeaways and lessons from the Living Water Retreat would take root in our young adults and lead to life transformation.
- Pray for us to step out in faith and boldness to love, witness, and bring God's healing to those around us.
- Pray for the Lord to give us wisdom as we consider how to better disciple Living Water members.

PRAY FOR OUR MISSIONARIES

As a part of Prisoners for Christ (PFC) Outreach Ministries, Greg and Rhonda Von Tobel are dedicated to taking the Gospel of Jesus Christ into jails, prisons, and juvenile detention facilities throughout the Pacific Northwest and internationally. They shared in their February letter a deep sense of gratitude. They gave thanks for the new shipment of PFC Study Bibles made possible through the giving of other churches, for prisoners in different

countries being equipped, and for many of them becoming frontline disciple-makers. In Ethiopia, someone came to Christ during the January graduation ceremony. In Tanzania, God provided extra funds last Christmas so the children could receive gifts and enjoy a Christmas dinner. Pray that God will continue to provide for their needs, draw more volunteers to join the fight for souls, and bless the equipping of more disciples whose lives will be transformed.

PRAY FOR THE WORLD

- Please pray for India and other parts of South Asia facing a devastating heatwave, some areas nearing 115°F. May the Lord be gracious to those most vulnerable who have no access to air conditioning, to find respite and be merciful to speed a change in weather patterns.
- Please pray for church unity in central Africa, from the Central African Republic to the Congo. As failed states that have suffered exploitation by colonial powers, churches remain the sole reliable authority in many communities. Pray for effective discipleship among the 90-plus percent of the population who are Christian, that they take their faith seriously and can transform their nations through loving each other in unity.

Save the date: Kindred: May 31 - June 21

Since 2016, our church has joined UPC, a predominantly white church, and Damascus International Fellowship, a predominantly black church, as one multi-ethnic family, gathering, studying, and praying for healing and reconciliation. Jesus broke down every dividing wall between His people. Kindred is the intentional way we live it and witness it to the city. Please start to consider how you and your small groups want to participate this year. Details coming soon.
