

Prayers for Our ECC Community

PRaises AND PRayers

SEATTLE YOUTH MINISTRY

- The YSF core planned and ran many of the YSF events this year. They worked hard to coordinate worship for Saturday meetings and used social media to reach out to the fellowship members.
- YF hosted a Parent Appreciation Dinner to celebrate and honor their parents. They enjoyed a fabulous meal prepared by the counselors and played a trivia game with their parents.
- For Sunday school, YF and YSF joined the adults for the studies on “40 Days in Community” and “Gender and Sexuality” during the winter and spring quarters. They listened and shared with the adults how they have encountered these timeless issues at school.
- Please pray for the YF Retreat (June) and Youth Camp (August). Pray for the guest speakers, as they prepare to share God’s word. Pray for the students as they prepare to listen to God and join in discussions about their faith. Pray for the recruitment of counselors, the planning, and the logistics for each retreat. Pray that the youth will be moved to serve God and grow in their faith journeys. This year, students from Pinglin, Taiwan, will be joining Youth Camp.
- Pray for the youth as they participate in the upcoming Kindred series. Pray that they will be transformed by leaning into the theme of “Living the Kindred Life.”
- Keep the youth in your prayers as they finish up the academic year with AP testing, finals, projects, papers, and presentations. Pray for good study habits, perseverance, and rest.

PRAY FOR OUR MISSIONARIES

Annie Saengsirikhun was born in Lashio, Myanmar. Her husband, Paul, is a

preacher, and they have two sons. Annie started full-time ministry in 2009, and she served in two student centers for 13 years. In 2023, she started the ministry Mercy Home, which is a student center providing education to students who would otherwise have no access to learning. They’re grateful for the start of another academic year where the children returned to the center healthy, happy, and safe. They visited one of the children’s villages to deliver student supplies and present Awards for Excellence. The center is a 15-min ride or a 30-min walk to the school, and their transportation costs have doubled due to soaring gas prices. They look to God to provide. Please continue to pray for God’s guidance and protection as they lead every staff member and child at the center.

PRAY FOR THE WORLD

- Please continue to pray for the negotiations for peace in the Middle East. As many countries face shortages due to the disruptions in the flow of commerce, more people daily are suffering around the world from higher living costs, and many are unable to sustain their livelihoods. May the Lord be merciful in their time of need and humble the warring leaders to find compromise for the good of the global community.
- Please pray for the millions who are graduating from schools around the world this month and next month. May the Lord bless their achievements and prepare them for the next phase of life. May the Holy Spirit help those who are relocating to find good church communities that can help them to know the Lord more and His purposes for their lives.

ECC's Kindred Vision

As we begin Kindred 2026, we would like to encourage all ECC members to participate in the Kindred churches' worship services, prayer meetings, and inter-church small groups.

ECC's Kindred vision is an extension of our missional discipleship calling. As a Chinese heritage church, we intentionally step beyond ourselves to bless and partner with other ethnic communities, embodying the gospel's reconciling power across cultures, languages, and generations, and living out God's kingdom together as one diverse community under Christ.

Welcome Two New Staff Members!

Starting June 1st, two new staff members will join us. Vanessa Zeng is joining us as an Administrative Assistant, and James Fan is coming on board as our IT Manager. Please join us in praying for them as they transition into these roles, and be sure to give them a warm welcome when you see them!
