

URGENT MINISTRY OPENINGS:

A SPECIAL APPEAL TO OUR CHURCH FAMILY

Finding the right leaders to shepherd our community is a vital task, and right now, our ministry team is stretched thin. We currently have 7 open pastor and minister positions that urgently need to be filled. In fact, some of these crucial roles have remained vacant for years, and we are praying for God to provide the right leaders.

We cannot find these shepherds without your help. We need every member of our church family to help us cast a wide net. Please look closely at the needs online, pray over them, and intentionally share them within your ministry circles, faith communities, and personal networks. The person God is calling to our church might be someone you know! View Details & Share: eccseattle.org/en/open-positions

We thank God for using the Stephen Ministry to provide Christ-centered care to those in crisis and facing difficulties.

Stephen Ministry is the church's one-to-one caring ministry. After completing 50 hours of training, the church commissions Stephen Ministers to provide care to individuals in need through same-gender, one-to-one, weekly one-hour sessions centered on listening, encouragement, and prayer. Since its establishment in 2017, the ministry has trained 57 Stephen Ministers and served 77 care receivers, with 11 currently receiving individualized care.

The 8th Stephen Minister training class will begin January 2027. If you feel called to serve in this ministry, please visit the information desk at the main entrance. If you or any brothers and sisters are experiencing a crisis or hardship and need care, please contact Orin Lincoln.

PRAISES AND PRAYERS

SEATTLE CANTONESE CONGREGATION

- We are grateful for the Mid-Autumn Festival celebration with a potluck dinner held at church last weekend with over fifty people attending, including three new families and some brothers and sisters who hadn't attended church in a long time.
- We thank the Lord that the SEA Cantonese congregation successfully concluded its five-year pulpit theme, "The Gospel: The Power of God," at the end of September. October marks the beginning of the first year of the new five-year series "Missional Discipleship," starting with "Be with Jesus."
- Thanks be to God that Sunday school will begin its new season's session on "2 Samuel" in October, and that a new class, "Study of Biblical Figures," will also begin, which is open to brothers and sisters who wish to learn through discussion.
- With the summer break over, we pray that all fellowship groups and small groups will resume their meetings in October, and that the Lord will guide all responsible co-workers with a spirit of service to lead the ministry in the coming year.
- Several elders: Mr. Ko, Sylvia, Elder Yeh, Tommy, Mrs. Siu, Mrs. Chen, and Choi-Jan are either recuperating at home or receiving treatment in the hospital. May the Lord protect their health and ensure their steady progress.
- Admin assistant Jofei retired at the end of September, and since the church does not plan to rehire a Cantonese church secretary, some work, especially matters before and after Sunday worship, will need to be handled by other brothers and sisters. May the Lord help to coordinate these matters smoothly.

PRAY FOR THE MISSIONARIES

Originally from Hong Kong, Wendy Wong has been a missionary in Chiang Rai, Thailand, for 14 years. Along with her husband, Anawin, and two children, they serve the Akha people and spread the gospel through the local church, Chinese schools, and a children's home for broken families and orphans. We pray that God would graciously provide her with gifted co-workers who are of one spirit, able to share her heavy ministry responsibilities, and that God would supply every resource needed for the work He is leading her to do. We also ask God to grant her wisdom and love as she handles the challenges of teenage students, building them into disciplined, Christ-loving young people who grow from having a desire for freedom into self-disciplined disciples. Lastly, we pray that the Lord's healing hand would continually restore her husband's mental health and her own physical well-being

PRAY FOR THE WORLD

- Please continue to pray for an end to the various conflicts in the Middle East. Already in its third year, may the Spirit work to bring peacemakers that can help all sides consider the welfare and needs of all peoples living in the area.
- Please pray for the West Bank Palestinian Christians who are suffering from persecution by Jewish settlers. The majority of Christians in Israel are Palestinian and have suffered from the tightening regulations and removal of civil rights. May the Lord protect His people and preserve the Christian presence in the region.
