URGENT MINISTRY OPENINGS:
A SPECIAL APPEAL TO OUR CHURCH FAMILY

Finding the right leaders to shepherd our community is a vital task, and right now, our ministry team is stretched thin. We currently have 7 open pastor and minister positions that urgently need to be filled. In fact, some of these crucial roles have remained vacant for years, and we are praying for God to provide the right leaders.

We cannot find these shepherds without your help. We need every member of our church family to help us cast a wide net. Please look closely at the needs online, pray over them, and intentionally share them within your ministry circles, faith communities, and personal networks. The person God is calling to our church might be someone you know! View Details & Share: eccseattle.org/en/open-positions

STEPHEN MINISTRY TRAINING CLASS REGISTRATION STARTS NOW

We thank God for using the Stephen Ministry to provide Christ-centered care to those in crisis and facing difficulties.

Stephen Ministry is the church's one-to-one caring ministry. After completing 50 hours of training, the church commissions Stephen Ministers to provide care to individuals in need through same-gender, one-to-one, weekly one-hour sessions centered on listening, encouragement, and prayer. Since its establishment in 2017, the ministry has trained 57 Stephen Ministers and served 77 care receivers, with 11 currently receiving individualized care.

The 8th Stephen Minister training class will begin January 2027. If you feel called to serve in this ministry, please visit the information desk at the main entrance. If you or any brothers and sisters are experiencing a crisis or hardship and need care, please contact Orin Lincoln.

PRAISES AND PRAYERS

SEATTLE YOUTH MINISTRY

- Praise God for the great turnout at the Seattle Youth Ministry kickoff. All the youth were able to spend one last day in the sun, enjoying games and welcoming new friends.
- We want to give praise to God for all the parents who attended the parents' meeting to learn about the upcoming events for the new academic year and how to be more involved in discipling their youth.
- Thanks be to God for all the counselors who have agreed to return and for the new counselors who will be a part of the Youth Ministry this year.
- Please keep in prayer the upcoming Youth Ministry year. Pray for the youth to learn and grow in their walk with Christ through the Sunday school lessons.
- Lift up in prayer the high school youth leaders as they will be balancing schoolwork, extracurricular activities, and leading the youth ministry events.
- Please pray for the exciting plans for the deeper study of the Scriptures and the prayer meetings that the youth leaders and counselors have planned.

PRAY FOR THE MISSIONARIES

Devendra and Koko Rai are a part of Commission to Every Nation. They are involved in setting up Bible School on Wheels (BSOW) and multiplying churches in NE India and other parts of Asia. Devendra shared that Thailand has recently been heavily affected by torrential rains and flooding; please pray that the waters recede quickly and that the impact on ministry and daily life is minimized. He also reported good progress in the Burmese-Nepali church plant; please pray to God to continue blessing the expansion of this church within Myanmar. Additionally, a new evangelistic ministry targeting Thai people has been launched; this initiative attracts Buddhists to weekly gatherings through English language classes. Please pray for God’s blessing on this ministry, that more Buddhists may come to know and believe in the Lord. He is also leading a team to South Africa from February 14 to 19, 2027, to conduct "Principal Training" for their TEN ministry; please pray that God will lead more people to join and serve the Lord.

PRAY FOR THE WORLD

- Please pray for France as it deals with civil unrest due to decades of fiscal irresponsibility. May the Lord grant wisdom and courage to the French government to know how to balance its debt crisis with the contemporary needs of its people.
- Please pray for the Lord to raise more workers for several predominantly Muslim West African nations such as Senegal, Mali, and Niger. Christian communities remain small and many countries have several unreached people groups. May the Lord grant vision to African nations with large Christian populations such as Nigeria to raise missionaries and Christian workers for their neighboring countries.
