PRAISES AND PRAYERS

Edmonds Mandarin Ministry

- We thank God for the seven brothers and sisters attending the baptismal class, as they prepare to be baptized on November 22 in celebration of Thanksgiving. They will publicly testify to the Lord's love and their faith in Jesus Christ for salvation.
- We thank God that three seekers in the Mandarin Alpha Course recently decided to follow Christ. May the Lord continue to use this course to bless both the ministry team and those exploring the Christian faith.
- We thank God for the 13 sisters participating in Faith, Hope, and Love Care training as they prepare for the "Walking in Grace" care ministry, which will begin next year. May the Lord bless and guide this ministry and use it to care for and walk alongside brothers and sisters in need.
- The Mandarin congregation held a ministry leaders' retreat on November 14th. May the Lord use this retreat to deepen fellowship among the ministry leaders, encourage one another, and strengthen their unity. May He also grant them strength and a spirit of oneness, so that they may serve faithfully in the various ministries of the coming year and build up His church together.
- Pray for the ongoing Sunday school course on eschatology. May the Lord give the five pastor/elders the time and energy they need to prepare and help our brothers and sisters understand biblical truths about the last things, live with hope, and grow in holiness and watchfulness as they await the Jesus' return.
- Pray for brothers and sisters who have recently lost loved ones. May the Lord personally comfort them, help them experience His peace and grace, and strengthen their hope of eternal life.

PRAY FOR THE MISSIONARIES

Lillian Mui, her husband Willy Ng'ambi, and son Hanoch serve a poor community in Choma, Zambia. As Director of Poetice School, Lillian leads programs and supports teachers. A new reading club encourages students to read 25 books, while parent training focuses on healthy relationships and positive parenting. Lillian recently performed as a piano soloist with a local orchestra and plans to compete in Lusaka. As she reconnects with musician friends who inspired her love for Zambia, pray that God renews her passion, strengthens her leadership, and blesses their family's ministry.

PRAYING FOR THE WORLD

- Please pray for **the intolerable conditions in Gaza as heavy rains have flooded many of the refugee camps**. May the Lord help Hamas, the Board of Peace, and the Israeli government to be compassionate, merciful, and gracious to bring about peace and render aid to the millions trapped in the midst of the unresolved conflict.
- Please pray for **chaplains serving in hospitals, social services, and the military**. Many minister daily to people who face life-threatening and catastrophic events in their lives. May the Lord grant them grace, strength, and wisdom to share God's love. May the Lord also provide them with friends and communities who can minister to them as they minister to others.
