PRAISES AND PRAYERS

Seattle English Ministry

- Praise God that the Seattle English Choir was able to represent ECC at the 10th Anniversary Kindred Celebration. 30 plus members sang "One Day" at the top of their voices, pointing hearts to our hope in Christ and the promise of heaven.
- Praise God for the intergenerational relationships that make our congregation a warm and welcoming family. May the Lord continue to strengthen these bonds through love, care, encouragement, and Christ-centered fellowship.
- Praise God for our youth and their dedicated counselors. Pray that our youth will grow in faith, be firmly grounded in God's Word, and develop a lasting relationship with the Lord. We also look forward to the upcoming Youth Sunday as we celebrate God's faithfulness to our Youth Ministry.
- Pray for this Sunday's annual Thanksgiving Celebration, that it would be a joyful time of testimonies, fellowship, and gratitude, giving glory to God for His faithfulness and blessings.
- Pray for the many who are facing serious illnesses and also for their loved ones. May God's healing, comfort, and sustaining grace be upon them.
- Pray for young adults seeking employment, that God would provide opportunities and deepen their faith during this season of waiting.

PRAY FOR THE MISSIONARIES

After seven years with Living Room Missions, Patty Chen joined One Challenge (OC) and moved to Nis, Serbia, to begin student ministry. In a country marked by war and mistrust, gospel outreach is challenging, and some churches resist change. Please pray for God's guidance in finding ministry partners and opening doors. Praise God for providing a reliable used car, which has expanded her outreach and helped her foot recover, and suitable housing that supports her ministry and fellowship with believers. Patty remains passionate about discipling those seeking God's truth. Pray for God's continued strength, provision, and guidance in her teaching and care for others. Finally, please pray for God's healing for two sisters in Christ, Mary and Wei Yi, who are battling cancer.

PRAYING FOR THE WORLD

- Please pray for the **central US as it faces a series of strong storms this week**. May the Lord be gracious to unite churches and communities to help those who have suffered loss to recover.
- Please **pray for the various ministries that are ministering to underprivileged children and orphans throughout the world.** Please pray for organizations such as World Vision, Compassion International, and Partners International who are not only meeting material needs, but also discipling families and equipping churches to bring up the next generation in the Lord.
