PRAISES AND PRAYERS

EDMONDS MANDARIN CONGREGATION

- We thank God for the seven brothers and sisters attending the baptismal class, as they prepare to be baptized on November 22 in celebration of Thanksgiving. They will publicly testify to the Lord's love and their faith in Jesus Christ for salvation.
- We thank God that three seekers in the Mandarin Alpha Course recently decided to follow Christ. May the Lord continue to use this course to bless both the ministry team and those exploring the Christian faith.
- We thank God for the 13 sisters participating in Faith, Hope, and Love Care training as they prepare for the "Walking in Grace" care ministry, which will begin next year. May the Lord bless and guide this ministry and use it to care for and walk alongside brothers and sisters in need.
- The Mandarin congregation held a ministry leaders' retreat yesterday (Nov 14). May the Lord use this retreat to deepen fellowship among the ministry leaders, encourage one another, and strengthen their unity. May He also grant them strength and a spirit of oneness, so that they may serve faithfully in the various ministries of the coming year and build up His church together.
- Please pray for the ongoing Sunday school course on eschatology. May the Lord give the five pastor/elders the time and energy they need to prepare and help our brothers and sisters understand biblical truths about the last things, live with hope, and grow in holiness and watchfulness as they await Jesus' return.
- Please pray for brothers and sisters who have recently lost loved ones. May the Lord personally comfort them, help them experience His peace and grace, and strengthen their hope of eternal life.

PRAY FOR THE MISSIONARIES

Lillian Mui, Willy Ng'ambi, and their son Hanoch serve in one of the poorest communities in Choma, Zambia. Lillian is a Poetice School Director utilizing her teaching and leadership skills to cast a vision for the school. She inspires teachers to find creative ways to hone their craft. They kicked off their new library program with a Summer Reading Club, where students were suddenly very motivated to read 25 books and be invited to an ice cream party at the end! They held their second parent training, where parents learned about creating a safe relationship with their children, being proactive rather than reactive in their teaching, and making reparations when they have made a mistake. Lillian was invited to perform as a piano soloist with their local orchestra, may the Lord continue to fan this love and energy for her ministry.

PRAY FOR THE WORLD

- Please pray for the intolerable conditions in Gaza as heavy rains have flooded many of the refugee camps. May the Lord help Hamas, the Board of Peace, and the Israeli government to be compassionate, merciful, and gracious to bring about peace and render aid to the millions trapped in the midst of the unresolved conflict.
- Please pray for chaplains serving in hospitals, social services, and the military. Many minister daily to people who face life-threatening and catastrophic events in their lives. May the Lord grant them grace, strength, and wisdom to share God's love. May the Lord also provide them with friends and communities who can minister to them as they minister to others.

STEPHEN MINISTRY TRAINING CLASS REGISTRATION HAS BEGUN

We thank God for using the Stephen Ministry to provide Christ-centered care to those in crisis and facing difficulties.

Stephen Ministry is the church's one-to-one caring ministry. After completing 50 hours of training, the church commissions Stephen Ministers to provide care to individuals in need through same-gender, one-to-one, weekly one-hour sessions centered on listening, encouragement, and prayer. Since its establishment in 2017, the ministry has trained 57 Stephen Ministers and served 77 care receivers, with 11 currently receiving individualized care.

The 8th Stephen Minister training class will begin January 2027. If you feel called to serve in this ministry, please visit the information desk at the main entrance. If you or any brothers and sisters are experiencing a crisis or hardship and need care, please contact Orin Lincoln.
